

Rimfire Festival

And Pistol Challenge

*At Budleigh Farm, Moretonhampstead on
Saturday 22nd and Sunday 23rd Sept 2018*

The Rimfire Festival remains unaltered from previous years for those who have attended before to maintain the historical score data, and there are limited squadded places for morning or afternoon sessions.

The Pistol Challenge is a new competition aimed specifically at users of LBP semi-auto .22LR firearms and is based on the rapid fire stage 3 of the Rimfire rifle match two.

It is a rapid fire, short competition to be held on the Saturday afternoon prior to the Sunday of the Rimfire Festival. It will not be squadded but competitors will be required to attend between 2 and 4pm on the day.

The entry price for either competition is listed below with a discounted price for those wishing to shoot both the Pistol Challenge on Saturday and the Rimfire Festival on the Sunday. A discounted price for first time entries to the Rimfire Festival is also available
